Chi-Miigwetch for participating in our 2018 Native American Critical Issues Conference. The 2018 theme is **Bimaadziwin Nbiish Aawan! (Water is Life)**. This year's conference will be held at Ziibiwing Center of Anishinabe Culture & Lifeways, Mt. Pleasant, MI, March 22-24, 2018. We appreciate your interest in assisting us with providing dynamic and educational programs for our participants. Please review the information below. This form serves as confirmation of the payment/honorarium arrangements that have been made with you through one of our Michigan Indian Education Council board members. All presenters and all co-presenters must register for the conference. Submitting a workshop proposal means you agree to these terms. All workshop submissions will be reviewed by MIEC's Board members and we will confirm acceptance of your proposal mid-February. While we will do our best to schedule day/time preferences, we cannot guarantee that all preferences can be met. If there are any changes, please make them on this form and return to the treasurer so that we can have the correct information. Don't forget to read the fine print below.
